**LEGISLATIVE ASSEMBLY****PRIVATE BILLS****Excerpt from Standing Orders Relating to Private Bills**

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in The British Columbia Gazette and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

97. No petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of three hundred dollars.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first ten days of the Session, the amount to be paid to the

Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll-bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

*Lieutenant-Governor.*

CANADA:

PROVINCE OF BRITISH COLUMBIA

ELIZABETH the SECOND, by the Grace of God, of the United Kingdom, Canada and Her other Realms and Territories, Queen, Head of the Commonwealth, Defender of the Faith.

To all to whom these presents shall come—  
Greeting.

W. D. Black, *Minister of Health Services and Hospital Insurance.*

WHEREAS section 3 of the *Regional Hospital Districts Act* provides that the Lieutenant-Governor in Council shall divide the Province

into areas and by Letters Patent incorporate each area and the residents therein into a regional hospital district with the objects, powers, obligations, duties, limitations, and conditions provided in the Letters Patent and the said Act:

And whereas the Province has been divided into areas by Order in Council No. 1222, approved April 13, 1967, as amended:

Now known ye that by these presents We do order and proclaim that the area of land hereinafter described and the residents therein shall, on, from, and after the date hereof, be incorporated as a regional hospital district under the said *Regional Hospital Districts Act* and under and subject to the provisions hereinafter contained or referred to:—

1. The regional hospital district shall be called and known by the name and style of the "Malaspina Regional Hospital District."

2. The Malaspina Regional Hospital District shall comprise all that tract of land, foreshore, and land covered by

water corresponding to the area comprised in the Regional District of Malaspina, incorporated by Letters Patent issued under the *Municipal Act*.

3. The members of the Malaspina Regional Hospital District are as follows:—

(a) Municipalities: The Corporation of the District of Powell River.

(b) Unorganized areas: Unorganized Areas A, B, C, and D, the boundaries of which shall correspond to the boundaries of the electoral areas of the Regional District of Malaspina as set out in Appendix A of the Letters Patent under which the said regional district was incorporated.

4. The population deemed to be a voting unit is 2,000.

5. The Board of Directors of the Malaspina Regional Hospital District shall exercise the powers and carry out the duties assigned to regional hospital districts in the *Regional Hospital Districts Act*, the regulations made thereunder, and these Letters Patent in accordance with the provisions thereof.

6. The boundaries of the Malaspina Regional Hospital District constituted herein are the same as the boundaries of the said Regional District of Malaspina constituted under the *Municipal Act*; therefore, pursuant to section 11 (2) of the *Regional Hospital Districts Act*, the Directors and Alternate Directors of the said Regional District of Malaspina from time to time shall be the Directors and Alternate Directors of the Malaspina Regional Hospital District.

7. The first meeting of the Board of Directors of the Malaspina Regional Hospital District shall be held during the evening of January 11, 1968, at the Centennial Building, Willingdon Beach, Powell River, immediately following the first meeting of the Regional Board of the Regional District of Malaspina.

8. The said Board of Directors, hereinafter referred to as the "Board," is hereby empowered to advance sums of money for hospital planning and for expediting hospital projects in the year 1968, the total amount of which shall not exceed the product of one-quarter of a mill, in accordance with subsection (2) of section 21 of the *Regional Hospital Districts Act*, hereinafter referred to as the "Act," and for this purpose the Board may, with the approval of the Minister of Health Services and Hospital Insurance, hereinafter referred to as the "Minister," borrow such sums to be recovered from the proceeds of a subsequent money by-law.

9. The powers, duties, and obligations of the Malaspina Regional Hospital District, hereinafter referred to as the "district," are those matters enumerated in the Act, the regulations, and these Letters Patent, and in addition the district shall establish a Regional Hospital Advisory Committee as soon as possible. The said Committee shall, when requested by the Board, review the hospital projects proposed by the boards of management of the hospitals in the district and recommend priorities and revisions thereto if deemed necessary, and shall also recommend regional programmes for the establishment and improvement of hospitals and hospital facilities in the district for presentation to the Board and to the British Columbia Hospital Insurance Service for approval. The membership of the said Committee shall include persons representing the hospital corporations in the district and such other persons as may

be appointed by the Board, together with such persons as may be appointed by the Minister from time to time.

10. The District is empowered and shall,

(a) subject to the approval of the Minister pursuant to clause (c) of subsection (1) of section 21 of the Act, assume, on and from January 1, 1968, the annual debt charges (principal and interest) of the member municipalities with respect to debentures issued for the purpose of financing hospital projects which are issued and outstanding as of December 31, 1967, to the extent that the proceeds from the sale of such debentures were paid to a hospital corporation or the district for such purpose. Interest shall be adjusted as of December 31, 1967;

(b) reimburse a member municipality which has provided moneys on or before December 31, 1967, for the capital financing of hospital projects from funds other than money obtained from the sale of debentures. Such reimbursement shall be made in accordance with the provisions of this clause. The sums disbursed for such purpose, when approved by the Minister, shall, for the purposes of the Act, be deemed to be debenture debt issued by that municipality for a term of twenty years, with interest at five per centum per annum, payable in equal annual instalments of principal and interest combined, and the year of issue shall be deemed to be the year in which the Council of the said municipality made the disbursement. Commencing in year 1968 the district shall either pay to the municipality annually the remaining unpaid instalments as if the municipality was the purchaser of the debentures deemed to have been issued or, alternatively, the said unpaid instalments shall be commuted by the Board; provided that where the Minister determines that moneys provided by a municipality during either 1967 or 1968 to a hospital project constituted a temporary advance, the municipality shall be reimbursed by a lump-sum payment made by the Board;

(c) include in the annual budget of the district the sums required for the purposes of clauses (a) and (b).

11.
